Ingredients:

4 Ounces Vodka

2 Tablespoons Jamaican Rum

2 Dried Bay Leaves

1/4 Teaspoon Allspice

1 Stick of Cinnamon, broken in pieces

Fresh Zest from a Small Orange

Method:

Combine all ingredients in a container such as a bottle or mason jar with a tightly fitting lid. Put the closed container in a dark, cool place (not in the refrigerator). After two weeks, strain mixture through several layers of cheesecloth, paper towels or a coffee filter. If necessary, repeat until no residue remains. Put in an attractive bottle or atomizer and splash on or spray face after shaving.
